## Future perspectives

As we have finished the main activities, we recently started the follow up with students levels, by classifying students into groups, according to the specific need of each group.

الصندوق الاستئماني الأوروبي 'مدد'

## Challenges

the first challenge was the registration of students, because we involved only 287 students in project, but the total number of grade 12 students was more than 287.

EU REGIONAL TRUST FUND 'MADAD'

الصندوق الاستئماني الأوروبي 'مدد'

## Challenges

the second challenge was that the syllabus's books that were given to the students were not enough because the number was limited. Only 287 students were covered.

EU REGIONAL TRUST FUND 'MADAD'

الصندوق الاستئماني الأوروبي 'مدد'

## Challenges

the third challenge was targeting only 4 camps of refugees, for example we did same activities for *Kewergosk camp* from the budget of the organization.
